

**A sketch comedy
twisting mainstream
themes, ideas and
events in a unique and
comedic way.**

**A single camera show that can be
easily reassembled for various
means of distribution and can be
wide in range and scope.**

**A NEW TWIST
ON COMEDY**

Hit with a Rock represents a collaboration of ideas resulting in hard hitting and edgy humour that will get people talking. It's **unexpected, intelligent**, and covers many layers of comedy that is appealing to a broad demographic. It's fast paced and refreshing, allowing the viewer to join into the program at any time and still enjoy the show.

With the correct resources, our intentions are to include Canadian star power to host shows and act in various sketches. Building a platform for Canadian actors, comedians and musicians will increase their overall presence and recognition on an international level. Our show is **guaranteed** to attract a large mainstream audience with its unique take on humour. The ability to include artists from all over the country to participate in our various sketches creates the type of humor that will make Canadian comedy stand out.
