HOW TO PLAY HUMANTOWN

HUMANTOWN is a story-driven sketch comedy series that depicts everyday life in a deranged and eccentric town.

Every sketch connects into the next, creating a continuous and captivating story world.

About The Team:

Friends since Highschool, The HumanTown team is now a group of award-winning filmmakers that have been creating comedic shorts for over 10 years.

Their goal is to introduce this cohesive brand of narrative and cinematic style to the structure of a sketch comedy show, pushing the boundaries of what 'sketch' comedy really is.
