We are so proud of Matt Falk and all the sucess he's had with his comedy!!

Now he's up to something new. This accomplished comedian from Niverville, along with his team of 3, are in the top 55 in the "CBC Comedy Coup", where teams from across the country -- who are funny -- enter with their idea for a show. And through a series of challenges it gets whittled down to the top idea!! They are now down to the top 55 in Canada and Matt and his team are still in the running!! This weekend they will cut it down to the top 15 -- and they need our help to make it!! We need to vote this weekend at <http://comedycoup.cbc.ca/how-to-do-everything-gooder> But even more so come out to the live event - this Sunday at Providence University college. 7:00 an amazing FREE concert will begin with Chris Funk, Corny Rempel, 3 Mol Plaut and Sheena Grobe... and of course, Matt. It will be a fantastic event!! Be there!!
